## Press Release

### Thefts from Motor Vehicles and Stolen Motor Vehicles

The Avon Police Department has received an increase of reports of thefts from motor vehicles and stolen motor vehicles. Unfortunately, this is not just in Avon, but other surrounding communities are experiencing similar incidents. The Avon Police Department is working with area agencies in sharing information regarding these investigations.

The Avon Police Department is looking for assistance from Avon residences by urging residents to lock their vehicles, do not leave valuables in plain sight, and to not leave the vehicles keys in the unlocked vehicle. Most of the stolen vehicles reported to the Avon Police Department were reported to be unlocked and the keys were left in the vehicle.
